2020 Partnership Opportunities

With 50 years of experience in providing housing stability for local families, partnering with Neighbor to Neighbor is a great way to be involved in the community and show your dedication to affordable, stable housing. Each year, N2N sponsorships enable us to raise funds to preserve homes for over 262 local families.

Neighbor to Neighbor has exciting partnership oportunities to help achieve big goals of opening doors and advancing lives for our neighbors.

From event sponsorships that will get your business name in front of the right people, to supporting HomeBuyer Education where hundreds of future homebuyers will see how your organization can help them reach their dream of homeownership!

In addition to the partnership opportunities shown here, partners are also needed to host a Rent Party - a party with a purpose that prevents homelessness in Larimer County.

For all opportunities, including any custom partnerships, please reach out to me, N2N's Philanthropy Manager, at bcunningham@n2n.org or 970-484-2373.

Thank you for your consideration!

Neighbor to Neighbor's Soup Supper

12.5.20 | 4:30-7:30pm | Plymouth Church

At our annual Soup Supper, we gather with 200 of our closest friends and reflect on what it's like to experience the threat of homelessness. The event features a modest meal of soup, donated from local restaurants, and the awarding of the annual Gold Glove award to an inspiring community member.

The Soup Supper is in partnership with the Plymouth Sleep Out and Vigil, planned by the Plymouth youth group. By supporting the Soup Supper, you're also supporting the efforts of local youth in hosting a meaningful evening exploring what homelessness looks like in our community and how we can all work together to prevent it.

Annual HomeBuyer Education Sponsorship

Each year, we educate over 1,200 households through our HomeBuyer Education program and nearly 600 of those households purchased homes after utilizing our services last year. Sponsoring this program will give you the opportunity to get your business name in front of a large group of folks who are actively interested in buying a home - it doesn't get more targeted than that!

For our in-person HomeBuyer Education, we host 15 classes, reaching over 600 future homeowners each year.
