

Health District of Northern Larimer County - Connections

The Connections Team is available to help with emotional health or substance use concerns. Once needs are identified, Connections helps connect you to local counselors, medication services, classes, support groups, substance use treatment, and other resources. Staff are available for the same or next day, in person appointments. This program provides short term services until ongoing care is established.

Services offered to: Adults, teens & children

Payment & Insurance: Sliding scale basis, pro bono, & Medicaid accepted

Child, Adolescent, and Young Adult Connections (CAYAC)

CAYAC is a program within the Health District of Larimer County, focusing on care for youth. CAYAC's team helps provide answers, options, and support to help families find care that meets their unique concerns. Services provided include assessments, referrals to community providers, education for clients and families, and other treatment options. This program provides short-term services until ongoing care is established.

Services offered to: Children, teens, & young adults through age 24

Payment & Insurance: Some free services, others on a sliding scale basis. Accepts Medicaid

Open Path

Open Path is a nonprofit nationwide network of mental health professionals dedicated to providing in-office and online mental health care at a steeply reduced rate to clients in need. Open Path serves clients who lack health insurance or whose health insurance doesn't provide adequate mental health benefits. Therapists are searched and contacted by the client through an online search from the website.

Services offered to: Adults, couples, teens & children

Payment & Insurance: Requires a one time \$59 membership fee, then ranges from \$40 - \$70 per session
