Tell us more about what services you're interested in

For us to help you, we need to know which of the services that we offer that you would like to know more about. Please read the descriptions of the programs and services we offer below, and then select the ones you're interested in and then we can get started crafting a custom plan just for you!

- Homeownership**
 We work to help you reach your goals and dreams of owning a home through our education services.
 - Foreclosure – Our foreclosure prevention counselor will work with you to become knowledgeable and confident in making choices to avoid foreclosure by providing education on the Colorado foreclosure process, developing realistic household spending plans, providing tools to work effectively with mortgage servicers, referring appropriate resources, and collaborating with you to create a strategic plan to cure your mortgage default or transition to other housing.
 - HECM. Reverse mortgages are loan products that allow older adult (62+) homeowners to borrow against the value of their homes while requiring no monthly payments as long as they are living in the home. During a reverse mortgage counseling session, we will discuss your financial goals, Home Equity Conversion Mortgage (HECM) rules, pros and cons of the loan product and alternatives to reverse mortgage.
 - I would like to sign up for the next Homebuyer Education Class.
- Rent and Utility Assistance**
 Emergency rent and utility assistance for residents of Larimer County.
- HomeShare**
 HomeShare is a simple concept in which two or more people benefit from sharing a home together. The program helps participants find a housemate who will positively impact their lives.
