

# NEIGHBOR TO NEIGHBOR 2026 SPONSORSHIP OPPORTUNITIES

*Strong communities are built on stable housing. By working together, we create safer neighborhoods, a stronger workforce, and a thriving community – for generations to come. Thank you for considering the following partnership opportunities. Below are the available N2N programs you can support, with sponsorship levels and benefits listed on the next page.*

## Community Cornerstone

**Support essential day-to-day N2N operations** and events, and our innovative HomeShare program which connects homeowners with local residents in need of affordable homes.

## Building Community

**Support resident services**, helping residents of N2N's affordable communities to thrive beyond housing—education, enrichment activities, leadership opportunities, welcome home baskets, and emergency supports.

## Staying Power

**Prevent evictions and utility shut-offs** by supporting emergency rent and utility assistance. Your contribution prevents neighbors from losing their homes due to sudden financial crises.

## Keys to Success

**Equip homebuyers** by supporting N2N's Homebuyer Education Classes and financial coaching. Your support gives future buyers the knowledge and tools they need to achieve stable, long-term homeownership.

## Fresh Start

**Move individuals and families into stable homes** by covering move-in costs such as deposits and fees that are often the final barrier to securing a home.

*“Neighbor to Neighbor was the friend I needed when things got really, really bad. They restored my faith in humanity, and that’s priceless! I look forward to giving back to my community when I’m back on my feet.”*
